We have much for which to be thankful:—our large high school building, the four years of education. Perhaps we never realize that our school board is constantly working to further our best interests, and we feel that it is only proper that we dedicate this page to these men as a small measure of our gratitude to them for the advantages which have been ours.

THE CLASS OF '35.

My greeting to you upon your entrance to High School took note of the importance of your adherence to, and constant effort in maintaining standards and having visions of the future.

I sincerely hope there has been aroused within the pulsating breasts of each and every one of the departing students the desire to seek for yourself, Knowledge and Wisdom, and to have visions of opportunities to serve God and Humanity.

History of Class of '35

Four years ago—which seems a short time—about one hundred thirty-five freshmen entered Cumberland Township High School.

The sophomores kept continually reminding us of our greenness and gave a reception for us. They put us through all kinds of initiation operations which we took with a smile. We returned their "hospitality" with a party.

Being wiser and better by our experience, we had our first meeting organization. We elected Ira Atchison president, Arthur Hartley vice-president, and Fred Palone secretary and treasurer.

Time flew and soon we were sophomores. In following the usual custom of organizing, we elected Jerry Snyder president, Joseph Reeves vice-president, and Ruth Barclay secretary and treasurer. We couldn't give the freshmen a reception because they were too great in number. We were grieved to lose three of our favorite teachers: Miss Weimer, Mr. Williamson, and Mr. Dusenberry.

Old Man Time soon found us as jolly juniors. In our third year, we elected Duke Krivoski president, Thurman Titus vice-president, and Harry Mayo secretary and treasurer. A short time later our secretary left school. We were now smaller in number since some enrolled in other schools, and twelve left us to enter the state of matrimony.

We soon found ourselves as dignified seniors being in eighty-two distinct parts. This year we elected Richard Latta president, Earl Poinar vice-president and Ruth Barclay secretary and treasurer.

We have sponsored several sweater hops, all being successful. Not yet having given a play, we hope to give one soon and make a success of it.

We have given to our school such athletes as Mitchell Krivoski, Duke Krivoski, Thomas Gazy, John Zaubi, Casper Citrone, Andrew Swansiger, Alex Wozniak, Mike Martof, Richard Latta, Jerry Snyder and Steve Uswa.

In leaving Cumberland we wish to say one more thing. We hope that in coming years Cumberland will reach still greater heights.

MOTTO

"Always upward, there's room at the top."

Flower: Rose. Colors: Old Rose and Silver.

POEM

Four years have passed since we came here
To take our part in Cumberland;
Four years have passed since we began
To live our best for Cumberland.

Four years spent here, but not in vain,
Please don't dispute me here;
The mem'ry of our time in Cumberland
Our hearts will always cheer.

O, Cumberland, the teams you've given us
In which we spent our pride
Your colors, too, of Purple and Gold
Will always be our guide.

This year, dear school, you've had success,
For in the office is, as you may guess,
Tokens of our past,
The trophy case, meaning best.

O, hoary and eternal time
Our lives you can foretell;
Look on us in future years
And say you'll wish us well.

O' through the ne'er returning time
In which we reach our height,
Our friendships made, foundation laid
Let's keep them in our sight.

Our task is o'er, our prize is won,
We've burned the mid-night oil.
But what we've given here at Cumberland
Is answer to our toil.

Alma Mater, watch and drive
We'll strive until we've won,
And may the Class of Thirty-Five
Deserve your words, "Well Done."

—Earl Poinar,
Class Poet.

Class Will

We, the Senior Class of Cumberland Township High School, Greene County, in the State of Pennsylvania, having no wooden legs and being in our right minds, for once, do ordain and establish this, our last will and testament.

Second: To our dear faculty a debt which we feel can never be paid and our undying gratitude for aiding us in our efforts to gain knowledge.

Third: To the juniors, we leave our knowledge of the activities of the underworld and all disconnected theories concerning our various brain storms.

To the sophomores, all gum bands, left over paper wads, bobby pins for music, and other methods of warfare that they will need in their positions as upper classmen.

Senior Class Calendar

The Senior Class of 1935 has conducted a series of sweater-hops throughout the entire school term. These informal dances were held on Friday nights. Usually the music was furnished by Fred Stewart's orchestra, Walter Koziel's Silver Streak orchestra or by the victrola.

The first big dance of the year was held October 31, 1934. This was a Halloween dance. The gym was attractively decorated in accord with the season. Furnari's orchestra furnished the music.

On December 19, 1934, the class held its mid-term dance in the form of a Christmas dance. The affair was a decided success. The orchestra of Jan Garnet and the festive decorations contributed much to the spirit of the occasion.

The students were given time to recuperate and then an informal dance, featuring Chuck McCall's orchestra, was held January 12, 1935.

Several sweater hops were held during the next two months, and then April 10, 1935, the Seniors had a party. Senior Home Room 2 was host to Senior Home Room 1 as a result of the scholastic contest between the two rooms. Dancing and games were the diversions of the evening, and refreshments were served.

The senior class felt that they really could not leave school without one grand, glorious semi-formal; so, they arranged one for April 24, 1935. The Dixonian orchestra furnished the music. A grand march was held at the beginning of the evening. The gym was attractively decorated with balloons, and after intermission the gym became one grand ballroom with balloons, streamers, and dancing couples. This dance was the best ever held by the Senior Class of 1935.

The Senior banquet and dance was held May 17, 1935 in the White Swan Hotel, Uniontown, featuring Jan Garnet's orchestra.

A senior class play entitled "Shirt Sleeves" was given May 24, 1935, in the high school auditorium. The play was a three-act comedy.

ATHLETICS

Football

With the '34 football season coming up, Coach Venen immediately turned his attention to the task of filling the vacancies in his football team left there by the graduation of Davies, Gotch, Kostak, Zaubi, Cutler, and Holupka, members of the '33 Varsity. The following gridders remained from last year's team: D. Krivoski, Citrone, M. Krivoski, Napwasky, Gazy, and Siko; and with these lads as the nucleus, Coach Venen set to work to build his '34 team. He was assisted no little by the splendid services of Albert Cree and Albert Gwynne, members of the faculty, who served as backfield and line coaches, respectively. How well he succeeded can be seen from the record of this year's team which turned in a fine string of 7 wins, 1 tie and 1 loss, and also another county championship.

In response to Coach Venen's call for candidates, some fifty enthusiastic gridders reported for service. After a period of training in which they were put through their paces, the process of weeding the good from the bad resulted in thirty-three (33) gridders being retained and from this group the team of '34 was picked.

WIND RIDGE 21-12

The season opened officially on Sept. 15, when Cumberland met for the first time on the gridiron, Wind Ridge. The hard-charging "Mikes" had too much power for their opponents and quickly rolled up 21 points before Wind Ridge could score. Their 12 points came after most of Cumberland's regulars had left the game. Hot weather caused the game to be slow and drawn out.

REDSTONE 13-0

On the following Friday, Cumberland again was host to a team that had never played here before, Redstone Hi. Although outweighed man for man, the "Mikes" were not outfought and the final whistle found them leading 13-0. After three periods had passed with neither team scoring, the "Mikes" suddenly unleashed a scoring attack that netted two touchdowns in the final minutes of the game. Duke Krivoski scored the first goal on a short line plunge. Before the Redstone's recovered from the sudden change of affairs, Duke put the game safely away by intercepting a Redstone pass and stepping some 40 yards to the goal. Redstone later won the Fayette County football championship for the second time in two years.

EAST PIKE RUN 6-7

With two victories in as many starts, the "Mikes" found that the old saying, "All good things must come to an end", applied to them also, as East Pike handed them their first and only defeat of the season. Cumberland was outfought at every turn by a scrappy outfit that refused to be beaten. Cumberland scored first on a long pass to Hockenberry over the line. The try for point failed. As the game wore on it seemed as if the one touchdown would mean another victory for C. T. H. S., but the "Pikers", who had been close to scoring several times suddenly clicked on a short pass and converted the extra point which spelled defeat for C. T. H. S.

MASONTOWN 13-6

Eager for a chance to redeem themselves, the "Mikes" traveled to Masontown and once more broke into the winning column with a 13-6 victory over their Fayette County foes. Although the score was low, Cumberland completely outplayed their opponents with a dispatch that showed they again were going places.

MAPLETOWN 7-0

In a hard fought game that was not decided until the final few minutes, Cumberland again took the measure of their county rivals to successfully clear another barrier in their quest for a county championship. Repeatedly losing the ball on downs due to valiant goal line stands by the Mapletowners, it was the last quarter before "Duke" Krivoski was able to score the winning touchdown on a line plunge after a sustained drive had placed the ball in a scoring position.

FOOTBALL—*Continued*

ELLSWORTH-COKEBURG 6-0

Having lost but one man from their last year's team, Ellsworth was highly favored to stem the victory march of the "Mikes", but the final whistle found them on a short end of a 6-0 score. Shortly after the second half began, Siko snared a long pass from Duke Krivoski for the only score of the contest. Unable to gain on the ground, Ellsworth took to the air. This almost proved disastrous for Cumberland as they completed 19 passes in 40 attempts. The "Mikes" suffered a severe setback when "Mitch" Krivoski was forced to leave the game due to a shoulder injury which kept him on the sidelines the rest of the season.

JEFFERSON 0-0

The Jefferson game, which in previous years was the final game for both teams, was played earlier this year in the hope that better weather conditions might prevail. However, the game was played on a bad day, with wind and rain hampering both teams. The weather, however, failed to keep the spectators away and a large crowd turned out to witness the two rivals battle to a scoreless tie. Both teams played a hard game and were on their toes every minute of the game. Cumberland threatened to break the dead lock in the last quarter as they made a last minute effort to score. Cumberland did score with Palone going over the line, but offsides by a Cumberland player resulted in the goal being nullified. Cumberland was hindered in their efforts to score by the huge crowd which streamed onto the field and hemmed in the team on all sides leaving only a small portion of the field to play on.

WAYNESBURG 7-0

Another county rival was met and defeated when the "Mikes" successfully retained their Greene County football championship by upsetting Waynesburg 7-0 on a muddy field. Numerous injuries caused five regulars to be confined to the bench but the lads that took the field for Cumberland more than made up for their loss with their spirit and scrap that had Waynesburg's running attack at a standstill. Content with playing a defensive game for three quarters, Cumberland suddenly unloosed an attack that carried them over the goal and victory with a suddenness that surprised everyone. Palone, our stellar full-back, bore the brunt of the ball carrying, and it was his fine plunging that brought the ball within scoring distance from where he carried it over and also added the extra point.

EAST BETHLEHEM 13-2

Coming up to our last game, Cumberland played East Bethlehem on Armistice day before a large turnout. A wet field and cold day made conditions none the better for good football, but the team closed their successful season with a victory over East Hi, who had a poor season in terms of victories and defeats but lacked none of the fight and spirit that characterizes all their teams. The Cumberland lads had too much power this year however and ran roughshod over their opponents, 13-2. Duke Krivoski, Citrone, Latta, M. Krivoski, Uswa, Zaubi, Swansiger, Wozniak and Gazy hung up their football togs for the final time following this game. Their football days are over at C. T. H. S. We leave it to Coach Venen to find someone to fill their shoes and carry on where they left off.

Basketball

The popular winter sport, basketball, now came to the front to claim the attention of the athletes, who immediately began tossing the balls through the hoops in preparation for the coming season.

Losing such valuable players as Kostak, Nokutis, Davies, Holupka, and Stoll, members of last year's squad, Coach Venen was left with only two regulars, Hockenberry and Swansiger, to start the '34 season, but with an experienced squad of floormen to fall back on, all of whom had seen more or less service the year before. Coach Venen had little difficulty in producing a quintet capable of holding its own on the hardwood.

While Cumberland finished only fourth in their league competition, the season was a huge success. Of 18 games, 12 were victories for us and two setbacks were handed Mapletown, who had again been the leader in their league. The "Mikes" split even with Waynesburg, winning on their own floor and vice versa on their opponents.

When basketball rolls around next winter, Coach Venen will be without the services of Zaubi, M. Krivoski, Uswa, D. Krivoski, Swansiger, and Snyder, who graduate this spring.

Something that never happened before at C. T. H. S. is: every member of the basketball squad made his letter in the sport this season.

BASKETBALL—*Continued*

Canonsburg was the only team to take the measure of the "Mikes" twice this year. The second game was a thriller with Cumberland losing by one point.

The '35-'36 basketball team of C. T. H. S. recently was nosed out in the final game of the Fayette County Y. M C. A. basketball tournament, Uniontown being the victor by a 29-27 score. Hockenberry and J. Siko were awarded positions on the "All Tournament" team. Hockenberry increased his laurels by being voted outstanding player.

C. T. H. S. rooters can look forward to some good basketball teams in the near future if this year's "B" squad record counts for anything. With Mr. Albert Cree as their coach, they recently turned in a fine record of 9 wins in 11 games. Both defeats were administered by Washington Hi's second team, who haven't been defeated for seven straight years, although both games were close and hotly contested.

Our Forensic Achievements

For the past few years, we have done little in forensic work. This year we decided to develop some of the talent of our student body and to participate in the Greene County Forensic Contest which was held in the Margaret Bell Miller School at Waynesburg, Pa., on March 29 and 30, 1935, running throughout the two days.

Realizing the valuable training this kind of work gives for a professional career in later life, many students offered themselves as possibilities for this local contest.

After a month of hard training, most of which was done at the noon period and after school hours, we felt repaid by the honors which C. T. H. S. received from this contest.

The work of training the contestants for the Forensic Contest was given under the direction of several members of the faculty.

Miss Frances M. Goodwin directed the vocal numbers; Miss Mabel Reigle directed the poetry and Shakespeare reading and declamation; Mr. Joseph J. Tarallo directed the instrumental numbers; Miss Ruth Baily coached the group of debaters; Mr. Bennett Rich had charge of the original oration.

The contestants from our school who participated in the forensic contest are as follows:

Affirmative	Negative	Alternates
Graydon Hughes	Marion Ross	Miller Sloniker
J. R. Moore	Matt Moore	Theodore Burgan

Original Oration ..... Beatrice Young
Declamation ..... Wm. Callaghan
Shakespeare Reading ..... Jane Hart
Poetry Reading ..... Betty Callaghan

Clarinet Solo ..... Walter Koziel
Violin Solo ..... Marino Marino
Girls' Trio ..... Elizabeth Davies, Paula Goertz, Betty Callaghan
Soprano Solo ..... Paula Goertz
Alto Solo ..... Elizabeth Davies
Tenor Solo ..... Harvey McMinn

The accompanists for all musical events were Betty Jones and Josephine Kagle.

The final results of the County Forensic Contest are as follows:

The students of Cumberland Township who won first honors at the County Forensic Contest in Waynesburg, Pa., are eligible to enter the Southwestern Section of the Pennsylvania Forensic and Music League of 1935, which will be held on April 13, 1935 at the California State Teachers College, California, Pa.

The students of C. T. H. S. who are eligible to enter the contest are as follows:

String Quartet ..... Marino Marino, Wm. Allayaud, Joe Babyak, Joe Chanskowsky
Clarinet Solo ..... Walter Koziel
